With our hedgerows awash with snowdrops and the daffodils all starting to bud, Spring has finally sprung! So why not take advantage of the changing season and get out in the fresh air to enjoy a walk or do some gardening. We're currently busy finalising our delicious, new Special Edition flavour for the summer months, so watch this space for more details coming soon...

Easter Recipes

These delicious seasonal recipes will impress your family and friends this Easter. As a wonderful twist to the traditional roast, our [Slow Roasted Lamb Marinated with Saffron Infused Yogurt](#) will be a hit with everyone. For dessert, try our [Hot Cross Bun and Apricot Butter Pudding](#), a wonderful Easter alternative to the usual bread and butter pudding and a great way to use up any leftover hot cross buns...
