With Spring just around the corner, there's so much to look forward to in the coming months. With lighter evenings, Mother's Day, Easter and beautiful blossoming daffodils all on the horizon, there's guaranteed to be something to put a smile on everyone's face. It's lovely to see an abundance of wildlife on the farms (see photo above) and we're currently busy preparing for the arrival of the lambs - look out for some cute photos coming soon on Facebook.
